MOBILE TERMINAL FOR FUEL SALES  
FROM VEHICLES

# ALVIC TMV™

## 01. Mobility

The equipment's ergonomic design allows the Alvic TMV to be installed in any type of vehicle. Easy mounting in any area of the cab for optimal usability.

## 02. New functionalities

**Document sending:** the functionality allows you to share any document that can be printed via mail/WhatsApp.  
**WhatsApp notifications:** this tool allows you to send messages via WhatsApp detailing the status of the order.

## 03. Ease of use

Practical and intuitive system to facilitate all operations for the driver. Light and ergonomic crib.
